Assistance of potable water crisis in States

† 1867. SHRIMATI KAMLA MANHAR: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) whether Government have formulated any plan to give assistance to the States suffering from potable water crisis;

(b) whether it is also a fact that Government have prepared any outline for giving special economic assistance to the major States suffering from potable water crisis by giving special category status to such States to save them from this crisis under this plan; and

(c) if so, the names of States which have been given this status and details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI A. NARENDRA): (a) to (c) A Centrally sponsored scheme, namely Accelerated Rural Water Supply Programme (ARWSP), already exists to provide financial assistance to the States for providing drinking water facilities in rural habitations. The financial assistance under ARWSP is provided as per a laid down criteria, which takes into account the rural population, geo-hydrological conditions, number of not covered/ partially covered habitations and water quality situation in the State/UT. State Governments/UT Administrations can utilize 15% of the allocated funds for tackling water quality problem. Recently, the Government of India has conceived Bharat Nirman plan for development of rural infrastructure in four years. Drinking Water Supply is one of the six components of Bharat Nirman, which envisages, *inter-alia,* tackling of water quality problems in all quality-affected habitations. There is, however, no proposal under consideration to give special category status to any of the States.

Allocation for houses constructed under IAY

1868. SHRI S. ANBALAGAN: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) the annual allocation of the Union Government for the promotion of rural housing through Indira Awaas Yojana during each of the last 3 years, State-wise;

(b) the number of rural houses constructed under the programme during each of the last 3 years, State-wise;

(c) whether any target has been fixed for rural houses during the current year and 2006-07; if so, the details thereof and the steps being taken thereon;

(d) whether this scheme is sufficient to meet the housing needs of the rural habitants of the country; and

(e) if so, the justifications therefor and if not, the steps proposed to be taken therefor?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRIMATI SURYAKANTA PATIL): (a) and (b) Details of State-wise annual allocation (Central + State) and number of houses constructed under the Indira Awaas Yojana (IAY) for the last three years is given in enclosed Statement (See below).

(c) During the current financial year i.e. 2005-06, about 14.41 lakh houses are likely to be constructed under the IAY. Target would be fixed for the year 2006-07 only after receipt of annual budgetary allocation in the next year.

(d) and (e) Under the IAY, financial assistance is provided for construction of houses for rural BPL families. At the rate of present annual allocation (Rs. 2750.00 crores), about 14-15 lakh houses are likely to be constructed per annum. Accordingly, under Bharat Nirman Programme, 60 lakh houses will be constructed during the period of 4 years.

Statement

State-wise allocation (Central plus State) and number of houses constructed/upgraded under the Indira Awaas Yojana during the last three years i.e. 2002-03, 2003-04 and 2004-05

(Rs. in lakhs)
